Working at Dominion Diamond Ekati Corporation

Bargaining Begins!

August 11, 2014 – Contract discussions to renew the current collective agreement with Dominion Diamond Ekati Corporation, began late last week. Your Union Bargaining Team met with the Employer for an introductory and opening meeting last Thursday August 7th and Friday August 8th.

Both bargaining teams met with opening statements and brought about items for discussion. As we anticipated, the meetings have begun with cooperation and a positive tone, which we believe is going to continue bringing about strong discussion on the issues your bargaining team feels, need to be addressed. We are looking forward to getting back to the table on August 25th, to continue discussions with the Employer.

Your bargaining team has been working diligently and is well prepared. Our goal continues to focus on achieving a positive outcome and an improved collective agreement for our Members at Ekati

Please watch for future announcements. Your solidarity and support of your Bargaining Team is appreciated.
