

# **Bargaining Communiqué #1**

**To PSAC / UNW / Local X0345 Members  
City of Yellowknife**

**September 27<sup>th</sup>, 2019**

Your bargaining team met with the Employer in May and June 2019. Negotiations have reached a critical stage where your bargaining team needs input from you, the membership.

For this reason, your bargaining team will be holding a **Special Meeting on Wednesday, October 2<sup>nd</sup>, 2019 at 5:15 pm, at the Northstar (UNW) Building – Training Room on 1<sup>st</sup> Floor** – to provide an update on negotiations and seek input from the membership.

Your attendance at this meeting is important.

This will be the only meeting to provide a bargaining update and seek your input at this stage. An opportunity to meet at another time will be provided to *shift workers only*, if they are unable to attend due to their scheduled hours of work. Shift workers who cannot attend for this reason are invited to contact UNW at [saa@unw.ca](mailto:saa@unw.ca), before October 2<sup>nd</sup> at 12:00 (noon), to receive the alternate meeting date and time.

We appreciate your support and patience throughout this process. If you have any questions, please don't hesitate to contact one of your bargaining team members.

In solidarity,

## **Local X0345 Bargaining Team**
