

UNW 17th Triennial Convention - Information for Delegates

Delegate Series #1: INTRODUCTION

Many people who attend a union convention are doing so for the first time. For this reason, many delegates find themselves confused about convention procedures. Even those who have attended a convention before can always use a refresher!

Over the next while, the Union of Northern Workers (UNW) will be sending you information to help explain convention proceedings, the role of delegates like yourself, the rules of debate, the purpose of conventions and other similar subjects. The same information will go to every convention delegate.

Our objective is to inform the convention delegates. The *Delegate Series* should prepare you to be able to fully participate at the Convention in a meaningful way.

The subjects we will deal with are:

Series 2	The Convention
Series 3	The Convention Delegate
Series 4	The Convention Business
Series 5	The Convention Resolution
Series 6	The Convention Chairperson
Series 7	The Convention Committees
Series 8	The Convention Debate
Series 9	The Convention Priority of Procedural Matters
Series 10	The Convention Elections
Series 11	The Convention Observer

When the first Convention session opens, the morning of October 27, 2017, delegates will have received a great deal of information about what they can expect over the three days.

Of course, we can't foresee every question you might have! If you require further clarification on anything, please do not hesitate to ask your Regional Vice-President.

All of the documents in the Delegate Series, and lots of other helpful information, are available on our website!

The next part in this series will be entitled "THE CONVENTION."
