Dear Ms. Thunstrom and Ms. Rousseau,

**Re: Collective Bargaining with PSAC/UNW Local 345, City of Yellowknife**

Thank you for your email on January 31, 2023, which you sent to City Council. I am responding on behalf of Council.

As demonstrated by our proposal on January 30, 2023 to resume negotiations, the City remains committed to the bargaining process and the negotiation of a collective agreement with PSAC XO345. The City will continue to respect the negotiating table as the place where negotiations towards an agreement occur.

Sincerely,

Rebecca Alty  
Mayor
