- (a) Subject to 44.04(b), a term employee means a person employed on a temporary basis for a specific purpose and for a period not exceeding twelve (12) months, unless agreed to by both the Union and the Employer. Prior to the engaging of a term employee, the Employer agrees to inform the Union of the purpose for which the employee is to be engaged and the anticipated length of time. A term employee shall be entitled to all of the provisions of the Collective Agreement from the first day of employment, subject to the length of employment and as determined by the Plan Administrator for insurance and pension plans.
- (b) An employee on Maternity Leave or Parental Leave shall only be replaced by a term employee. Such term employee may be employed for a period of more than twelve (12) months where the length of Parental Leave or combined Maternity and Parental Leave exceeds twelve months.

- (c) The Employer shall not engage a term employee, or a series of term employees, in lieu of establishing a permanent position or filling a vacant position unless by mutual consent between the Employer and the Union.
- (d) Term employees shall have a probationary period of six (6) months if their period of employment exceeds six (6) months. The probationary period will be waived if the employee returns to the same position within eighteen (18) months provided the employee successfully completed the probationary period in the previous term.
- (e) Term employees may not receive vacation leave with pay prior to six (6) months of employment. If a term employee is subsequently hired into a permanent position, provided their employment has not been broken by a period of more than ten (10) consecutive days and provided the term was at least six months, Article 29.02 shall not apply.
- (f) Term employees shall not be eligible for Deferred Salary Leave.

44.05 Permanent Part-Time Employees

Any employee hired on a permanent part-time basis, where the hours of work are twenty (20) or more per week, but less than thirty-seven and one-half hours per week, shall be entitled to all the provisions of this collective agreement but on a pro-rated basis. All benefits and entitlements are to be pro-rated and reduced to the same proportion that their normal hours of work bear to the normal hours of work of permanent full-time employees.

ARTICLE 45 – COOLING OFF PERIOD

- 45.01 An employee may, within twenty-four (24) hours of resigning, withdraw such resignation. The Employer will not process a resignation until twenty-four (24) hours have elapsed. An employee shall take advantage of this Article only once during the term of the Collective Agreement.

ARTICLE 46 – TOOL ALLOWANCE

- 46.01 Each Mechanic, Heavy Duty Mechanic and Fleet Supervisor (provided the Fleet Supervisor is a journeyperson mechanic or heavy duty mechanic) shall receive a tool allowance of five hundred (\$500) dollars per year, payable upon their anniversary date each year.

ARTICLE 47 – SOCIAL JUSTICE FUND

- 47.01 The Employer shall contribute one cent (1¢) per hour worked to the PSAC Social Justice Fund and such contributions will be made for all hours worked by each employee in the Bargaining Unit. Contributions to the Fund will be made quarterly, in the middle of the

month immediately following completion of each fiscal quarter year, and such contributions remitted to the PSAC National Office. Contributions to the Fund are to be utilized strictly for the purposes specified in the Letters Patent of the PSAC Social Justice Fund.

ARTICLE 48 – EMPLOYEE LIABILITY INSURANCE

The Employer agrees to maintain liability insurance to cover employees under this Agreement.

ARTICLE 49 – DEFERRED SALARY LEAVE

- 49.01 The deferred salary leave plan enables permanent employees to take six (6) months of leave from the Employer, and to finance this leave through a deferral of salary in previous years.
- 49.02 Under this plan, participating employees agree to defer a portion of their salary for four and one half (4 1/2) consecutive years and the Employer agrees to grant the employee leave in the last six (6) months of the fifth year, and to use the amounts deferred in the previous four and one half (4 1/2) years to pay the employee's salary during the period of the leave. Participation in the plan is subject to operational requirements.
- 49.03 During the period of leave, employees may engage in whatever activities they wish, except to be employed with the Employer in any capacity, including casual employment.
- 49.04 The individual plan for each participating employee is a five and a half (5 ½) year period consisting of the following:
 - (a) The first four and one half (4 ½) consecutive years during which the employee draws 90% of salary earned in each of the four years and six months and defers the remaining 10%;
 - (b) The last six (6) consecutive months of the fifth consecutive year in which the employee takes the leave, and is paid from the amounts deferred above; and
 - (c) The first six (6) consecutive months of the sixth consecutive year in which the employee returns to employment with the Employer for a minimum of six (6) months.
- 49.05 Participation can begin at any time during the year.
- 49.06 The Employer must ensure that approved leaves do not impair the future operation of the organization.
- 49.07 Employees make written application to the Employer. Applications will state the proposed start of the salary deferral and the proposed period of leave. Employees will

be notified of the approval of their application at least six (6) weeks prior to the start of the salary deferral.

- 49.08 Each participant will sign an agreement covering the details of the plan.
- 49.09 In each year of the plan preceding the period of the leave, the employee will be paid 90% of the applicable salary. The remaining 10% of salary will be deferred and this amount will be retained by the Employer to finance payments during the period of leave.
- 49.10 The deferred salary will be retained by the Employer. A statement of the employee's deferred amount will be provided at each anniversary of the plan.
- 49.11 During the period of leave, the employee shall receive one thirteenth of the deferred amount each pay period, less applicable deductions. No additional payments to the employee can be made such as loans, subsidies, allowances or salary, and the employee shall not accrue any leave credits or other employment related benefits.
- 49.12 Income Tax will be deducted in accordance with the provisions of the *Income Tax Act* and its Regulations.
- 49.13 Pension and all benefits will be provided in accordance with the plan provisions. The Employer will not be responsible for the Employer or the employee portion of pension or benefit contributions during the leave period.
- 49.14 Upon return from leave, the Employer will, wherever possible, place the employee in the position held at the commencement of the leave. If the employee's position is deleted from the establishment while the employee is on leave, upon return from the leave, the employee will be entitled to the same rights and benefits had the employee been in the position when it was deleted.
- 49.15 The eligibility date for a Merit Pay Increase and Long Service Bonus shall be deferred by the length of the leave, and shall be moved to a date which provides for a total of twelve (12) months of active employment between anniversary dates.
- 49.16 The Employer shall cancel participation in the plan and shall refund, within sixty (60) days, the total deferred amount, if the employee dies or employment is otherwise terminated.
- 49.17 Where operational requirements would not be met if the employee proceeded on leave in the fifth year, or where exceptional changes in personal circumstances make the leave unfeasible, the Employer will give the employee the choice of the following:
- (a) withdrawing from the plan and taking a refund of the total deferred amount;
 - or
 - (b) deferring the period of leave to either the sixth or seventh consecutive year or to some other mutually agreeable time.

- 49.18 When the Employer requires the employee to withdraw from the plan or defer the period of the leave due to operational requirements under 49.17, the employee shall be reimbursed for reasonable expenses, as normally defined by the Employer, that they incur for themselves or their dependents, in respect of any non-refundable deposits or pre-arrangements associated with the leave, up to a maximum of three thousand dollars (\$3,000.00).
- 49.19 Where the Employer has proposed to change or deny the leave or participation in the DSLP pursuant to 49.02, 49.06, 49.17, the Employer shall provide the employee with the reasons, in writing, for such change or denial.
- 49.20 Upon withdrawal from the plan the total deferred amount will be repaid to the employee within sixty (60) days from the notification of withdrawal.

ARTICLE 50- AGREEMENT RE-OPENER

- 50.01 This Agreement, other than its term, may be amended by mutual consent.

ARTICLE 51 - DURATION AND RENEWAL

- 51.01 (a) The term of this Agreement shall be from January 1, 2022 to December 31, 2023.
- (b) The salary schedules shall take effect from the dates specified in the schedules.
- (c) All other provisions of this Agreement take effect on the date of ratification, unless another date is expressly stated.
- 51.02 Notwithstanding Article 50.01, the provisions of this Agreement, including the provisions for the adjustment of disputes in Article 14, shall remain in effect during the negotiations for its renewal, and until either a new Collective Agreement becomes effective or until the provisions of Section 89(1) of the *Canada Labour Code* have been met.
- 51.03 Either party to this Agreement may, within the period of four (4) months immediately preceding the date of expiration of the term of this Agreement, by written notice, require the other party to this Agreement to commence collective bargaining with a view to the conclusion, renewal or revision of this Agreement in accordance with Section 49(1) of the *Canada Labour Code*.
- 51.04 Where notice to bargain collectively has been given under Article 49.03, the Employer shall not alter the rates of pay or any term or condition of employment or any right or privilege of the employees, or any right or privilege of the Union until a renewal or revision of this Agreement has been concluded, or until the provisions of Section 89(1) of the *Canada Labour Code* have been met, unless the Union consents to the alteration of such a term or condition, or such a right or privilege.
